

## SAFETY SUPERVISOR

This course has been designed for supervisors and managers as they are the key advocates in promoting a culture in which safety is a priority and workplace injuries are not acceptable. The course will develop the skills and knowledge necessary to meet legislative requirements.

### Course Content

TOPIC 1: Assist with compliance with WHS laws

- This describes the performance outcomes, skills and knowledge required to assist with providing advice about the legislative duties, rights and obligations of individuals and parties prescribed in work health and safety (WHS) laws. It includes identification of WHS legislation, duties, rights and obligations and the necessary actions to ensure compliance in the workplace.

TOPIC 2: Contribute to WHS hazard identification, risk assessment and risk control

- This applies to individuals who contribute to identifying WHS hazards, assessing WHS risks and developing, implementing and evaluating risk controls appropriate to their own job role and work area as part of their WHS responsibilities. It applies to people who work in a broad range of WHS/supervisory roles across all industries.

### On Completion

- Upon successful completion of the course, each participant will receive a Certificate of Attendance

### Pathways

- Certificate IV Work Health & Safety
