

ERECT & DISMANTLE RESTRICTED HEIGHT ALUMINIUM SCAFFOLDING UP TO 4 METRES

Mobile work platforms such as Aluminum scaffolds are used by most trades in the building and construction industry, they are designed so that most people will be able to erect them with ease after appropriate training. The purpose of this course is to provide participants with the general knowledge and base skills to undertake activities related to erecting and dismantling of Aluminum Mobile Restricted Height Scaffolding.

On completion of this course, participants will be able to erect, dismantle and safely use most types of mobile scaffolding towers up to four (4) meters with reference to the relevant WHS requirements, supplier's assembly instructions and maintenance guides.

This course is not designed to give or provide the participant with sufficient information or training to undertake the erecting and dismantling of scaffolds over 4 meters in height. To erect and dismantle scaffolds over 4 meters you are required to hold a High-Risk license.

Course Content

This course is based on Australian and New Zealand standard 1576.1:2019.1: Scaffolding Part 1: General requirements and various codes of practice.

About Us

Gramac Solutions & Gramac Training Solutions (RTO#70249) has been a locally owned and operated regional business providing recruitment, labour hire, training, consultancy services and room and office hire within the Limestone Coast region for over 22 years.

Gramac Training Solutions is committed to providing supportive, flexible learning and assessment options, allowing learner alternatives which recognise the diversity of their individual needs and circumstances aiding them in their learning goals. Learner support is provided for the duration of the program, and opportunities and limitations will be discussed during enrolment.

Gramac Training Solutions will issue a Certificate of Attendance within 21 calendar days of the training program being completed successfully, providing all agreed fees have been paid.

Learners Rights

Learners who enrol in courses delivered by Gramac Training Solutions have the right to:

- A safe, clean learning environment where they are treated fairly and respectfully
- Be free from all forms of intimidation or discrimination; regardless of religious, cultural, racial and sexual difference, age, disability or socio-economic status
- Learn in an environment that is supportive with any disputes or concerns treated seriously and settled in a fair and professional manner
- Be trained and assessed by competent and knowledgeable trainers and assessors
- Access Recognition of prior learning (RPL)
- Privacy concerning records containing personal information, (subject to other statutory requirements and other agreed uses)
- Be given information about assessment procedures at the beginning of the unit and progressive results as they occur
- Lodge an appeal against an assessment decision if they feel they were treated unfairly during assessment or where they feel the assessment decision is incorrect and they have grounds for appeal
- Have the opportunity to share ideas and ask questions.

Did you know?

Scaffolding today is primarily made of metal, whether that be aluminum or steel. But this has not always been in the case, metal scaffold didn't exist until the 20th Century!

Learners Obligations

Learners agree at all times during their enrolment period to:

- Fully participate and complete all learning and assessment activities as required, to the best of their ability
- Advise Gramac Training Solutions of absenteeism prior to the start of the training
- Provide medical certificates or evidence of extenuating circumstances in support of absenteeism
- Inform Gramac Training Solutions of any concerns or need for support related to the successful completion of the course
- Treat all staff and fellow learners with respect and do not discriminate, harass, abuse, or use threatening behaviours of any kind whether physical or verbal
- Follow required dress code including personal protective equipment and a good standard of personal hygiene
- Inform Gramac Training Solutions if personal details change
- Not to smoke in non-smoking areas
- Not to attend training or assessment sessions under the influence of alcohol or illicit drugs
- Turn off all mobile devices whilst participating in training and assessment activities
- Always follow normal and reasonable safety practices

Enrolling with Gramac Training Solutions is acknowledgement of the services available, the learner expectations, and the learner rights and obligations which are all understood and agreed to. All enrolled learners are bound by Gramac Training Solutions policies and breaches may result in suspension and/or removal from the training program.
